Digital: Not all screens are calibrated the same, and therefore, colors will appear differently betwee es and between product families. А

Physical: When texture is involved, there will be variations in color, character and tone within a prop

Gun Metal: No Gun Metal finish is alike. It combines a mixture of transparent and black color particles which ensures a highly individual effect and no luminaire being identical. Zaneen Gewahrpaghe 24 and Copper Wine, Michel And Barew Jaze Colder These finishes have slight fading from specific powder coating production. Each luminaire will slightly vary. Availble for International specifications by adding 'INT' at the end of the existing Model #. For assistance on 'custom' specifications, contact zteam@zaneen.com. In a constant effort to supply the best product, we reserve the right to change specifications or materials without notice. The most recent specification sheets are found at zaneen.com
