Digital: Not all screens are calibrated the same, and therefore, colors will appear differently between devices.

Physical: When texture is involved, there will be variations in color, character and tone within a product series and between product families.

Available for use in a constant environment. In a constant environment, the color of the material will vary slightly due to the lighting conditions, a highly intense light source and no luminaire being identical. In a constant environment, the color of the material will vary slightly due to the lighting conditions, a highly intense light source and no luminaire being identical.
