Digital: Not all screens are calibrated the same, and therefore, colors will appear differently between screens.

Physical: While the physical colors are as close as possible to the digital colors, there will be slight variations in color and tone within a product series and between product families.

Available for International specifications by adding 'INT' at the end of the existing Model #. For assistance on 'custom' specifications, contact zteam@zaneen.com.

In a constant supply of new products, Zaneen is committed to change appearance and look of its products which means that the individual finishes and luminaires being identical.

Gun Metal, Mellow Yellow, Golden Heart, Gun Metal, Champagne Cream, Copper Mine, Ancient Bronze + Jazz Gold: These finishes have slight fading from specific powder coating production. Each luminaire will slightly vary.
