1. To build a product code in our configurator select the specify button on the base model # product page

2. To build a manual product code on this datasheet choose from the options listed below in blue font and add the suffix to the base model #

### GENERAL

| Series: Mini                                                                      |
|-----------------------------------------------------------------------------------|
| Subseries: Mini Ceiling                                                           |
| Brand: Platek                                                                     |
| Division: Exterior                                                                |
| Mounting Type: Recessed                                                           |
| Mounting Location: Ceiling                                                        |
| Subcategory: Downlight                                                            |
| PHYSICAL                                                                          |
| Shape: Round                                                                      |
| Diameter (mm): 152                                                                |
| Diameter (in): 6                                                                  |
| Height (mm): 80                                                                   |
| Height (in): 3 <sup>1</sup> / <sub>8</sub>                                        |
| Ceiling Thickness (mm): 10 - 20                                                   |
| Ceiling Thickness (in): 3/8 - 13/16                                               |
| Light Distribution: Direct                                                        |
| Diffuser: Clear tempered glass                                                    |
| Fixture Finish: SST                                                               |
| Fixture Material: Aluminum Die Cast                                               |
| Cut-out Measurements: 140mm / 5 1/2" diameter                                     |
| ELECTRICAL                                                                        |
| Lamp Type: LED                                                                    |
| Input Wattage (W): 10.5                                                           |
| Total Output Wattage (W): 9                                                       |
| Dimming: Tri-Mode (Non-Dimming and Phase Dimming (120Vac only) and 0-10V Dimming) |
| Driver Included: No                                                               |
| Driver Location: Remote                                                           |
| Driver Type: Constant Current - 120 / 277Vac                                      |
| Driver Class: Class 2                                                             |
| Input Voltage (V): 120 - 277                                                      |
| Constant Current (MA): 500                                                        |
|                                                                                   |
